Sat. afternoon

Dearest Mother & Daddy:

I got home at 3:30 AM today morning, and slept nearly all the way home.

It sure was nice to get home again, and wish I could come back again this week-end.

It's hot here today, and I think I'll sleep all afternoon, and go to a show tonight.

If you send me a box next week, put in some watermelon jelly.

Regards write soon!

Love,
Harold
